

Emergency Action Plan (EAP)

Premises: 174 Merton High Street, SW19 1AY

Occupier: Therapy Spaces (Surbiton) Limited

Responsible Person: Peter Strong

In the Event of Fire:

1. Raise the Alarm

- Activate the nearest manual call point (located in reception and each treatment room).

2. Evacuate Immediately

- Escort all clients and staff calmly to the assembly point on Nelson Road.
- Use the main front entrance via the central corridor.
- Do not stop to collect personal belongings.

3. Assist Those in Need

- Offer assistance to people with mobility or sensory impairments as required.

4. Only If Safe to Do So:

- Use the dry powder extinguisher (in corridor opposite Room 2) to control a small fire.
- Do not take risks or attempt to fight large fires.

5. Call Emergency Services – 999

- State: “There is a fire at 174 Merton High Street, SW19 1AY.”

6. Contact Branch Supervisor

- Call: 07710 132 221 (Peter Strong)

7. Meet the Fire Service

- Provide access and details upon their arrival.

8. Do Not Re-enter the Building

- Wait for clearance from the Fire Service before returning.

Important Notes:

Fire alarms are interlinked and will sound throughout the premises.

Emergency lighting and illuminated exit signs will guide evacuation if power is lost.

All staff must be familiar with this plan as part of induction and regular fire drills.
